SUMMER SEMESTER 2026

SUMMER EXCHANGE PROGRAMME

!/\ Due to its model, none of the above rules apply to the Summer Exchange Programme.

We offer a short Summer semester programme on a yearly basis during the month of July.

It is a flexible programme: your students may choose between one and four weeks of courses for this programme; each course's duration is one week. This allows us to cater to the exact needs of your students, by letting them choose between one, two, three or four courses according to their wishes.

It is an exchange programme: your students will not have to pay for the courses, only the mobility costs themselves (transportation, accommodation, food, social programme during their time there); each course will be worth 6 ECTS credits.

It is located in Paris: not only is it the capital of France, but it is also the capital of culture, gastronomy, fashion and luxury. The Paris campus opened in 2021 in the heart of the city, in the 13th district, close to the Place d'Italie. Within its 6,500 m² of space, the campus has an amphitheater with 250 seats and 25 classrooms. Built on 5 floors, it can accommodate up to 1400 students.
